

The book cover features a vibrant illustration. At the top, a blue dragon with yellow wings and a yellow mane-like crest on its head is shown with its mouth open, revealing sharp teeth. To its right, a green dragon with yellow wings and a blue saddle is also shown with its mouth open. Below the dragons, a large yellow speech bubble contains the title. To the left of the speech bubble, there are various school-related items: a pair of scissors, a red apple, a stack of books, and a red pencil. At the bottom, a girl with long brown hair is sitting at a desk, smiling and writing in a notebook. A boy with curly brown hair, wearing a blue school uniform and a backpack, stands next to her, looking surprised. The background is black with a pattern of small yellow and blue dots.
